A second page (shown on next page) will open titled “CHRONOLOGICAL RECORD OF MEDICAL CARE”. This will print the initial H&P and all subsequent clinical comments onto a SF600 form with the patient demographics already added. We suggest you copy and paste this document into AHLTA's ADD NOTE section for documentation. Please note that Administrative (pink) and Air Evac (gray) comment types will NOT be included in this summary.

On the “CHRONOLOGICAL RECORD OF MEDICAL CARE” page you can select all text by first pressing CTRL+A then pressing CTRL+C to copy all text.

Alternatively, you can select limited information from the PATH case for inclusion in your AHLTA note. To do this select sections of text using your mouse to first highlight the text, then right-click and choose Copy.
